Welcome to the Sunrise Diner

Our History...

The Sunrise Diner has been family owned and operated since 1972.

Originally the diner was called the "Snack House".

In 1988, we expanded our seating and rebranded as the Sunrise Diner.

In 2001, we expanded for a second time and continued our success as a local family favorite. Today, our menu has a mix of modern and classic diner meals to please everyone.

Our Philosophy...

For over 50 years, the Sunrise Diner has proven that you do not need to sacrifice quality and freshness when choosing a quick-service restaurant.

We believe in going the extra mile for better quality ingredients, resulting a better meal for you.

Our emphasis is placed on fresh ingredients, careful food preparation, with friendly and attentive service.

At the Sunrise Diner:

Our eggs are always farm-fresh.

Soups are made daily in house.

We make our beef and chicken stocks from scratch.

Our fruits and vegetables are always fresh and never frozen.

Our beef burgers are delivered daily and never frozen.

Our breakfast syrup is homemade without any high fructose corn syrup.

From day one, our philosophy has been to give our customers a fresh plate of food with friendly service at a fair price.

Additional parking can be found in the abutting lot west of the diner during all hours of operation.
